We are hiring!

**Synthetic
Flight
Instructor**
(m/f/d)

MUNICH
OBERPFAFFENHOFEN

One Team, one goal.

Synthetic Flight Instructor (m/f/d)

 Permanent contract

 Oberpfaffenhofen

 Part-time or full-time

Are you interested in working in a company that combines the experience of a corporate group with the advantages of a dynamic start-up? Are you looking for an environment in which you have the opportunity to contribute ideas and play a key role in the development of our company? Then HMotion is the right place for you and join our team!

Your role at HMotion

- You will be responsible for creating, delivering, and following up on theoretical training courses in the EC135/H135 and H145 areas, as well as conducting briefings and debriefings.
- You will conduct refresher training courses using the EC135/H135 and H145 simulators.
- You will create and maintain the associated teaching materials.
- You will perform subjective tests as part of the certification maintenance process.

What you bring with you

- You hold an ATPL (H) or CPL (H) license.
- You possess a TRI, SFI, or FI rating.
- You have an IFR qualification.
- You are type-rated on the H145, EC145, H135, or EC135.
- You bring experience as a trainer, ideally with professional expertise as a Type Rating Instructor or Synthetic Flight Instructor (SFI).
- You are a team player with a willingness to take on responsibility, and you present yourself in a competent and confident manner.
- You are fluent in written and spoken English, with additional languages being an advantage.

What HMotion can offer you

- Work-life balance is important to us. That's why nothing stands in the way of a work-life balance with us. You have 30 days' holiday and flexible working hours.
- We also work closely with you to ensure your personal development.
- Support with both your pension scheme and capital-forming benefits, an allowance for your meals, free drinks and regular team events are basic benefits.

Are you interested? Then apply now by e-mail with your salary expectations and earliest possible starting date!
